CIRCULAR

All members are hereby informed that those members, who have submitted their KYC as per requirement of their respective Bank, the said bank has changed their information like Name of a/c holder/member. Due to this there is contradiction in name between Society record & Bank record. When the members avail the facility of withdrawing money by cheque of Loans or other liabilities like payment of deposits, final settlement etc. from Society, because of difference in name, the cheques are returned to members which are deposited in bank for clearance.

So we appeal to the members to submit the photocopy of Bank Passbook for making changes in Name, at the time of apply for loan or financial transaction with the Society.

All members are requested to co-operate.
